On Monday, August 6, 2018, at approximately 6 AM, uniformed SWAT (Special Weapons And Tactics) Unit officers were assisting detectives who were serving a search warrant at a residence in the 4800 block of Knox Street. The detectives were searching for a male who was allegedly involved in a shooting incident two days earlier, and the firearm that was used in the incident. SWAT Unit officers knocked, announced their presence and waited for a response. After hearing no response a SWAT Unit officer breached the front door. At the same time, a male inside the residence fired four rounds at the front door, striking a SWAT Unit officer in the face. A second SWAT Unit officer discharged his shotgun, striking the male. The injured SWAT Unit officer was admitted to the hospital in critical condition. The male inside the residence sustained gunshot wounds to his chest and legs and was admitted to the hospital in critical condition. The male was pronounced deceased approximately seven hours later. A female inside the residence sustained a gunshot wound to the abdomen and was admitted to the hospital in critical condition. The 9MM semi-automatic pistol used by the male was recovered. No other weapons were recovered inside the property and the male wanted for the prior shooting incident was not inside the property.

^{***} Information posted in the original summary reflects a preliminary understanding of what occurred at the time of the incident. This information is posted shortly after the incident and may be updated as the investigation leads to new information. The DA's Office is provided all the information from the PPD's investigation prior to their charging decision.
