On 12/14/13, at approximately 11:16 P.M., plainclothes officers acting on information that narcotics were being sold in the 2900 block of Mascher Street, arrived at the location to investigate. As the officers approached the residence, the offender, who was exiting the property, saw the officers and ran back into the property, closing the door behind him.

The officers entered the property and observed the offender holding a handgun. The offender fled to the basement of the property. The officers descended the stairs into the basement and observed the offender hiding near the furnace, pointing his weapon at the officers. One officer discharged his weapon, missing the offender.

An empty, 9MM, semi-automatic pistol, was recovered on the ground near the area where suspect was hiding. A large quantity of Crack Cocaine; Marijuana; narcotics packaging material; scale; ammunition (9MM, .40 and .380 caliber); and \$223.00 dollars, was recovered from inside the residence.
