On Monday, August 20, 2018, at approximately 4:10 pm, plainclothes officers assigned to the Narcotics Field Unit (NFU), were conducting surveillance at a residence in the 7100 block of Cottage Street, in preparation to execute a search warrant at a property there for narcotics evidence. While conducting the surveillance, NFU officers observed a 2010 Toyota Camry, operated by a male, driving in the area. The Camry was identified by the NFU officers as being associated with the prior narcotics activity at the Cottage Street address that was under surveillance. Officers operating an unmarked police vehicle used their vehicles to block the Toyota Camry's path of travel in the 7100 block of Hegerman Street. All six officers exited their vehicles and approached the male's vehicle. The male ignored commands by the officers to shut the engine off, and began striking the unmarked police vehicles that were stopped in front and behind his Toyota Camry. An officer used a "haligan" tool to shatter the driver's door window, and the male continued to maneuver his vehicle away from the officers. An officer was struck while in between the male's vehicle and the unmarked police vehicle.

Another officer, who was positioned next to the driver's door of the Toyota Camry, discharged three rounds, striking the male. Medic Unit #32 arrived at the scene and pronounced the male deceased.

Three of the officers were transported to the hospital for treatment of injuries.

\*\*\* Information posted in the original summary reflects a preliminary understanding of what occurred at the time of the incident. This information is posted shortly after the incident and may be updated as the investigation leads to new information. The DA's Office is provided all the information from the PPD's investigation prior to their charging decision.
