PS# 10-45

6/11/10

On 6/11/10, at approximately 2:56 A.M., uniformed officers responded to a Police Radio assignment, "Burglary in Progress" in the 1400 block of Fanshawe Street. The homeowner was outside the property and informed the officers that he returned home to find his front door open. The officers entered the residence and observed the offender descend the stairs from the second floor and run toward the kitchen. The offender began pulling a firearm (that was registered to the occupant of the residence) from his waistband and one of the officers discharged his weapon, striking the offender. The offender was apprehended without further incident, and was treated at Albert Einstein Medical Center. A 9 MM semi-automatic weapon, loaded with eleven live rounds, was recovered at the scene.
