PS#14-36

09/07/14

On Sunday, 9/07/14, at approximately 9:56 P.M., uniformed officers, in a marked police vehicle, observed an occupied Nissan Altima, in the rear parking lot of an apartment complex in the 4800 block of Comly Street. The officers stopped their patrol car perpendicular to the vehicle and exited. The male operator reversed the vehicle, striking a fence, and then accelerated forward. At that point, both officers discharged their weapons at the vehicle. The vehicle struck the driver's side rear quarter panel of the police vehicle and fled out onto Comly Street and ultimately out of the officers' sight.

Several minutes later, other officers found a female being treated for a gunshot wound at Aria Hospital, South Division, in the company of a male. The female and her male companion were identified by officers as being in the Nissan Altima.

Sometime later, the Nissan Altima was located unoccupied, in the rear common driveway of the 6500 block of Vandike Street. The vehicle had multiple strike marks and visible blood inside.

The offender was subsequently identified, but was not apprehended.

No weapon was recovered.
