7/21/09

On 7/21/09, at approximately 8:33 P.M., uniformed officers responded to a Police Radio assignment to investigate a person in the 6100 block of N. Marshall Street. The officers observed the offender, holding a pipe in his hand, on the steps of a residence where he was prohibited from being near. One of the officers removed the pipe from the offenders hand and tossed it on the sidewalk. The officers informed the offender that he was being arrested for being at the location, and the male retrieved the pipe and struck one of the officers. The second officer struck the offender with his ASP-Baton, with no effect. The second officer drew his firearm, and the offender grabbed the weapon and attempted to wrest it from the officer. During the struggle for the officer's gun, the officer depressed the magazine-release, causing the magazine to drop from the weapon. With one round still in the chamber, the offender discharged the second officer's firearm at the first officer. The first officer discharged his firearm at the offender, striking the male. The offender was pronounced at the scene. A pipe with an overall length of approximately thirty-four inches was recovered at the scene.
