11/5/07

On Monday, 11/5/07, at approximately 8:48 P.M., uniformed officers responded to a radio call for a "Disturbance" in the 2700 block of Welsh Road. The officers were met by a complainant, who stated she was having a dispute with the offender.

The officers went up to the offender's apartment to talk, but he was incoherent. The officers returned to the second floor to inform the complainant of her legal options. As the officers were leaving, they heard a door slam on the third floor and then observed the offender charging down the stairs with a metal crutch, wielding it in a threatening manner.

The officers ordered the offender to drop the crutch, but he refused and continued charging toward the officer. One officer drew his weapon and discharged, striking the offender. The offender was transported to Frankford-Torresdale Hospital. The metal crutch was recovered at the scene.
