PS# 13-04

1/17/13

On 1/17/13, at approximately 3:46 P.M., two officers observed a group of males loitering on the corner of Haverford Avenue and Drexel Road. Due to an increase in robberies and narcotic violations in the area, the officers attempted to perform pedestrian investigations on the group of males. As the officers exited the patrol vehicle, one male fled on foot and ran to the rear driveway behind the 7500 block of Malvern Avenue with one officer in foot pursuit. The offender pulled an object from his waistband. The officer discharged his weapon missing the offender. The offender was subsequently placed under arrest. No weapon was recovered.
