5/25/07

On 5/25/07, at approximately 11:02 P.M., two plainclothes officers observed the offenders sitting inside an idling Dodge Stratus in the 1600 block of N. Bailey Street. An unknown male exchanged what the officers believed to be marijuana for US currency. The officers drove up alongside the offenders' vehicle, exited and identified themselves as police officers. A struggle ensued as the officers attempted to handcuff the unknown male. One offender, the driver of the vehicle, reversed the vehicle, striking both officers and the unknown male. One officer discharged his weapon, missing that offender, who then reversed the vehicle onto Oxford Street and then south on Bailey Street. The second offender exited the vehicle and fled to the rear of 1500 block of N. 26th Street where he was later apprehended.

The first offender made a U-turn in the vehicle and drove north on Bailey Street toward the officers, who both discharged their weapons, missing the offender who then fled west on Oxford Street and south on 29th Street. The offender's vehicle was recovered unattended in front of a residence in the 3000 block of Girard Avenue. The first offender was subsequently apprehended at 32nd Street and Girard Avenue. No weapons were recovered.
