## 11/10/09

On 11/10/09, at approximately 12:57 A.M., uniformed officers were conducting a vehicle investigation in the 4600 block of Wayne Avenue. A computer inquiry indicated that the operator of the vehicle had three outstanding bench warrants for misdemeanor offenses. The operator refused to exit his vehicle and the first officer reached through the open driver's door window to remove the keys from the ignition. The offender accelerated the vehicle forward with the first officer clinging to the moving vehicle. The second officer, positioned on the passenger side of the vehicle, drew his firearm and discharged at the moving vehicle. The first officer fell to the ground and the offender drove from the scene eluding apprehension. At approximately 7:00 AM, the offender's vehicle was located unoccupied in the unit block of Rittenhouse Street. Two strike marks were observed on the passenger side rear quarter panel, and passenger side door. Neither projectile penetrated to the interior of the vehicle.
