11/30/14

On Saturday, 11/30/14, at approximately 8:34 P.M., uniformed officers, in a marked police vehicle, stopped a vehicle for traffic violations in the unit block of Reger Street. The vehicle was occupied by four males. Once the vehicle stopped, the front seat passenger exited the vehicle and ran into a property on the unit block. One of the officers pursued the offender into the property. Once inside a struggle ensued between the offender and the officer. During the struggle, the officer observed the offender reach for a silver handgun in his waistband area. In response, the officer drew and fired his weapon, striking the offender. The officer's partner entered the residence, observed the struggle, and discharged his Electronic Control Weapon, missing the offender. The offender was transported to Albert Einstein Medical Center for treatment.

The offender's firearm, an H&R, .22 caliber revolver, loaded with nine live rounds was recovered at the scene.

The three unknown males who were in the vehicle with the offender fled the scene and remain unidentified at this time.

There were no other injuries as a result of this incident.
