12/10/10

On 12/10/10, at 4:55 P.M., uniformed officers were assisting plainclothes officers in executing a search warrant in the unit block S. 44th Street. The uniformed officers were directed to detain a male sitting in the driver's seat of a Lincoln parked in the unit block S. 44th Street. The operator of the vehicle drove backwards into an alley next to a Laundromat. Officers chased the vehicle on foot. When the vehicle was halfway down the alley, it stopped and proceeded to drive forward toward the officers. One officer discharged his weapon at the vehicle. The vehicle then drove backwards in the alley and drove north on 43rd Street. It was later found unoccupied at 34th and Arch Streets. There were no injuries as a result of this firearm discharge.
