## 3/08/14

On Saturday, 3/08/14, at approximately 11:53 A.M., an off-duty police officer was outside of his residence, working on his private vehicle, when a dog, being walked by a male, defecated on the off-duty officer's front lawn. The off-duty officer told the offender to clean up the mess. A verbal argument ensued, after which the offender left the scene. A short time later, the offender returned to the off-duty officer's residence without his dog. A physical altercation ensued, during which the off-duty officer was punched several times in the face and head. At one point during the altercation, the offender pulled the off-duty officer's hooded sweatshirt over his face. The off-duty officer then drew his weapon, which was holstered on his right hip, and discharged it, striking the offender. The offender fell to the ground and he was subsequently transported to Albert Einstein Medical Center for treatment.

The off-duty officer was transported to Jeanes Hospital, where he was treated for facial lacerations and bruises.
