7/17/13

On 7/17/13, at approximately 11:10 PM, uniformed officers in a marked police vehicle responded to a Police Radio assignment, "Person with a gun at 2400 Glenwood Drive." Upon their arrival, the officers exited their vehicle and walked toward the courtyard of a housing development and observed two males banging on a door in the 2400 block of Glenwood Drive. The officers approached both males to conduct a pedestrian investigation and observed a large bulge in the waistband of one of the males. This male fled the scene by hopping over several cyclone fences. One of the officers pursued the offender on foot. As the officer pursued the offender, he observed him pull a gun from his waistband and turn in the officer's direction. In response, the officer discharged his weapon, missing the offender. The offender continued to run through a walkway and tossed the gun into the rear yard of a property in the 2400 block of Glenwood Drive as he ran. The offender was ultimately apprehended and found to be in possession of a glass bottle containing PCP. The second male involved was not identified.

A 9MM weapon, loaded with 23 live rounds, was recovered in the rear yard.
