PS#15-02

1/08/15

On Thursday, January 8, 2015, at 11:34 AM, uniformed officers, in a marked police vehicle, stopped a vehicle for a traffic violation. During the course of their investigation, the officers determined that the license plate on the vehicle did not belong on the vehicle. In addition, the operator failed to provide proof of his identity. One of the officers approached the driver side door of the vehicle and asked the offender to exit the vehicle, while opening the driver door. The offender proceeded to place his vehicle in drive and attempted to accelerate; however, the tires of the vehicle spun on the ice. The offender then grabbed the officer's arm and pulled him into the vehicle, dragging him as the vehicle moved forward. The officer discharged his weapon, missing the offender. The officer then fell to the ground, as the vehicle continued to move forward, running over the officer's right leg.

The offender fled the scene and was later apprehended in the 3100 block of Huntingdon Street. The vehicle was recovered in the 2400 block of Napa Street.

There were no injuries as a result of the police discharge.

No weapon was recovered.

^{***} Information posted in the original summary reflects a preliminary understanding of what occurred at the time of the incident. This information is posted shortly after the incident and may be updated as the investigation leads to new information. The DA's Office is provided all the information from the PPD's investigation prior to their charging decision.
