4/28/07

On 4/28/07, at approximately 4:13 A.M., an off-duty officer heard banging noises coming from the first floor of a residence in the 3300 block of Frankford Avenue. The officer retrieved his privately owned weapon and descended the stairs to find the offender with what appeared to be a weapon in his hand. The officer identified himself as a police officer and the offender fled from the residence and ran north on Frankford Avenue, with a second offender. The officer exited his residence and ordered the offenders to stop. The first offender turned in the direction of the officer and pointed a weapon at the officer, at which time the officer discharged, missing the offender. Both offenders eluded apprehension. A third offender, identified by a witness as a lookout, was apprehended without incident in front of the officer's residence. No weapon was recovered.
